

Youth Ski Trip 2017

I'm excited you have decided to join us for our Ski Trip this winter during Mardi Gras Break. We will be headed up to Daniels, West Virginia to ski and relax. Our stay will be at the Glade Springs resort, and we will be skiing at Winterplace resort. Overall this will be an exciting time for our students and adults!

The resort we will be lodging at has many amenities to offer, such as indoor swimming pool, and exercise area. There will be shuttles that can transport you to various areas of the resort. Also, you will be staying in one of their luxurious lodges on site.

Skiing at Winterplace is one of the premier experiences on the East coast. They offer quality runs and an overall excellent experience.

Below you will find what you need to know for this trip:

Transportation: We will be leaving on Sunday, February 11th. You may, if you wish to drive yourself. All transportation expenses will be your responsibility. We WILL be driving the church bus, and will cover the cost. You will be responsible for your own food on the way up, students included. This will be lunch and dinner.

Lodging: As mentioned above we will be staying in a lodge at the Glade Spring resort. This means we will have access to a kitchen. Dinner will be provided each night. (I will need some help cooking!)

Skiing: We will be skiing on Monday and Tuesday; however, you do not have to ski the entire day. During this time, lunch will be provided for our students and adults. Winterplace has an excellent lodge with plenty of room for our adults and students to relax and visit about the day. Group Lessons will be offered to those who are interested. I highly recommend lessons to anyone who has never skied before.

Costs: There are two options for those who plan on going. Naturally, some will ski and some will not. We don't want you to pay if you aren't going to ski! As stated above, we will be skiing on Monday and Tuesday, if you decide to ski you MUST pay to ski both days.
