Prayer Request

Please be praying for your pastor, deacons, and trustees as we seek God's will regarding the future of the church owned gray house across the street. We have discussed several options including:

1. Continue to use it as needed as a pastorium, making necessary repairs, and committing to continued maintenance of the property.
2. Use it as a part of a Missions House ministry, providing a place for furloughed missionaries to stay. This would require the church to make various repairs, furnish the home, and form a Missionary Housing Committee to oversee maintenance and booking.
3. Sell the property. Proceeds could be earmarked for major improvement projects around the church building and/or fund missions at home and abroad.

As you can see, each option has its own unique set of pros and cons. We welcome your prayers and input in the coming days. We will begin discussing these and other possibilities soon and seek church approval for any major decisions.
