## Dear Graduates...

Congratulations to the Class of 2021!

This is a milestone in your life. You have worked hard in and out of the classroom and your moment is now here. A lot has changed for you over the last several years, but believe it or not, even more will change for you over the next several years. You will be leaving home on a journey to become who you will be for the rest of your lives. You will decide on a career (maybe three or four times), probably meet your future spouse, and make a new home for yourself.

Through it all, my hope for you is this: that you will discover your true value as a child of God, trust your Savior to direct your path in the times of joy and pain, and pursue your created purpose of glorifying God, who is bigger than our wildest dreams. He will be with you every step of the way.

I look forward to hearing about what God is doing in your life.

May God bless you,  
Your pastor, Jeremy Smalley
